Arohanui Hospice Palliative Care Education Programme

Welcome

Kia Ora and welcome to the Education Programme for 2020. Arohanui Hospice takes pride in providing a range of education to meet the needs of health care workers with a particular focus on providing fundamental palliative care education across the districts, improving the provision of quality palliative care, especially for those people in the last days of life.

We have put together a number of valuable educational opportunities which we trust will enhance your knowledge and skills in palliative care. We value your participation in the education provided by Arohanui Hospice and look forward to seeing you in 2020.

Hospice New Zealand Fundamentals of Palliative Care

Hospice New Zealand have created a comprehensive multidisciplinary palliative care education resource comprised of ten learning packages. The flexibility of this resource means that it can be effectively utilised in all health care settings including General Practice, Hospital, Community and Aged Residential Care facilities.

The packages have been grouped into three workshops that will be presented in Palmerston North, Horowhenua and Taranaki. Pre-reading is required for all sessions and a post learning activity and feedback form need to be returned to Arohanui Hospice to complete the course and receive certificates and a Hospice NZ badge.

<u>Workshop 1:</u>	Essence of Palliative Care, Ethical Issues and Communication Skills
<u>Workshop 2:</u>	Pain and Symptom Management, Dementia and Chronic Illness
<u>Workshop 3:</u>	Last Days of Life, Loss and Grief, Caring for Ourselves and Spiritual Care.

Palliative Care Awareness

These afternoon sessions have been developed for registered staff new to General Practice and Aged Residential Care Facilities and will include an opportunity to tour the Hospice, explain the referral system and provide an awareness of the services and support Arohanui Hospice can provide for people and their families/whanau who have been referred to the service.

Wednesday 8th April 2020

Arohanui Hospice

Wednesday 16th September 2020

Time: 1:00pm – 4:00 pm

Cost: Free

The purpose of this workshop is to raise awareness and understanding of the increasing spiritual and cultural diversity that exists within our community, which enhances our ability to offer the most appropriate care.

Māori, Buddhist, Hindu, Muslim and Christian representatives will share their perspectives, illuminating how knowledge of their beliefs and traditions can enhance our palliative care approach for people in their communities.

This workshop is open to all those working in the health and pastoral care sectors.

Facilitated by George Dempster, Spiritual Care Coordinator Arohanui Hospice

Friday 3rd April 2020

Arohanui Hospice

Time: 9:00 am – 4:00 pm
